Meet April Brennan, our new GM!

We are pleased to introduce you to **April Brennan**, our new General Manager.

April knows our orchestra well, having played bassoon in it for several years. She also has proven organizational skills as well as the ability to manage people and events through her position

in another local non-profit musical group.

As she told us:

"I've been a musician for 30 years, and have been the manager and president of the Santa Cruz Music Groups (Santa Cruz Summer Winds and Santa Cruz Jazz Collective) for 4 seasons now. I've taken a group from the very beginning of its creation and turned it from a small group into a 501(c)(3) organization, with currently 4

concerts and a tour of California this year."

Our musicians look forward to working with April in her new position and audience members will meet her at our concerts. [Welcome, April.](#)
